NEW YEAR'S EVE 2025

FOR A YEAR FULL OF WISHES

Each New Year is a blank page, an invitation to dream big, make wishes, and reinvent yourself. At Pestana CR7 Gran Vía Madrid, we want to inspire you to fill this year with unique moments, amazing experiences and goals to achieve.

Perhaps your first resolution for 2026 is to surpass yourself, enjoy more time with those around you, or dare to go after everything you set your mind to. Our greatest wish is that you enjoy and remember this menu, created and prepared by true champions, designed for you to celebrate the beginning of all the good things yet to come.

When the clock is about to strike midnight, head up to our 360° rooftop, make 12 new wishes with the lucky grapes, and raise a glass of cava as the Puerta del Sol fireworks light up the city. The party will continue until 3:00 a.m., with our DJ setting the pace, and from 12:30 to 3:00 a.m., there will be an open bar so the night knows no limits. And if you get hungry during extra time, our late-night snack will be ready so you can keep celebrating at your own pace.

As Cristiano once said: "Every season is a new challenge for me, and I always aim to improve." Make this year start with your best version: celebrate, toast, and let yourself be surprised.
